“Tempo rada je bio dobro usklađen sa mojim sposobnostima, predavanja su uvijek bila opuštena, zadaće su bile zanimljive i povratne informacije koje smo dobivali na predaji zadaća su bile jako korisne.”

“Na akademiji mi su mi se sviđali pozitivni i uvijek pristupačni mentori na svim kanalima, i uživo i online. Uredi i mogućnost korištenja Macova su isto super stvar!”

“To znanje koje se prenosi kada si 1 na 1 s čovjekom je neprocjenjivo jer tada možeš pitati baš ono što ne razumiješ i saznati ono što je ponekad teško naći internetu ili u knjigama. Također, dobiješ osjećaj za ono bitno i ideju kako učiti dalje.”

Salutations on completing the Infinum Academy course. You proved committed in learning and accomplishing, with more or less success, tasks that were laid before you. A truly great way to spend half of the summer. Congratulations, you truly are a Nerd/Geek.
